Sign size _____ Sign color _____

Lettering size & style _____

Comments _____

Approval _____ No-Approval _____

Reason for non-approval _____

Please attach a detailed, finished drawing of the sign to scale, include the size of the sign, style of letter, coloring, and mounting structures. For freestanding signs, attach a plot plan showing property lines, streets, all abutting and on-site structures, existing signs and proposed sign location. For flush mounted signs, attach an elevation plan. An accurately scaled drawing of all buildings faces to be signed, including the scaled outlines of all existing and proposed signs.

Date of issue _____ Fee \$50.00 – Receipt No. _____

Permit issued by _____
